## MONDAY 14 OCTOBER - ZOETIS / IRELANDS ANGUS OPEN DAY \*Including Cattle reproductive disease and management seminar

Our Open Day beginning at **1pm on Monday the 14<sup>th</sup>** provides an excellent opportunity to inspect our cattle and discuss our production system and breeding objectives with Corey and the team. The afternoon will include our:

- Sale stock on display,
- Cattle reproductive disease and management seminar and
- Complimentary Angus beef BBQ dinner and refreshments.

The cattle reproductive disease seminar will be hosted by Liz Ferguson, **NSW Senior Veterinarian of Zoetis Animal Health** from approximately **4:00pm-5:00pm**. Liz is an experienced livestock veterinarian and will be discussing the management of reproductive disease impacts in cattle production including Leptospirosis, Pestivirus and Vibriosis. The seminar aims to provide you with best practice information as to limiting the impact of reproductive disease in your beef enterprise. The information presented will explain our participation in the Zoetis STAR (Steps Taken Against Reproductive disease) program in our endeavour to provide our clients with the highest confidence in our breeding stock.

Please join us for a Complimentary Angus beef BBQ dinner and refreshments.
