## IRELANDS

### HIERARCHY H152

RENNYLEA EDMUND E11 X IRELANDS

WARGOONA E5

Irelands Hierarchy H152 is proving himself to be a great all rounder, in particular he is showing exceptional calving ease with great softness yet maintaining excellent growth.

After calving heifers to him in both the Autumn and Spring, all were born unassisted. We are excited to have a sire with such depth of pedigree and do-ability from within our herd.

His dam, Irelands Wargoona E5, is consistently breeding to the top of our program, with sons selling to \$30,000. We have a number of bulls for sale by Hierarchy in our September sale, **ideal for heifer joining**. Semen also available from Alta Genetics, Tony Simpson 0427 341 458.
