ROCKHAMPTON BEEF 2015

**GENOMIX SALE**

WEDNESDAY 6 MAY | 4PM

# EMBRYOS

## LOT 9 IRELANDS VICKY Z15 X RAFF EXPLOSIVE E108 (6 EMBRYOS)

This mating is proven with sons selling to \$16,000 and our first females from this mating about to wean their first calves. Vicky Z15 is a super breeding female and we consider her to be one of our best. Her ability to breed is supported by her sales. We have sold over \$860,000 of progeny from this cow without counting the progeny we have kept. She is a big volume, powerful cow with heaps of capacity and length. She has a perfect udder and is so fertile. Her pedigree is second to none when it comes to consistency and maternal strength. Her grand-dam was interbreed cow in Melbourne Royal and won many other royal shows. When it comes to genetic strength and rock solid performance, it gets no better. Raff Explosive E108 is one of only a handful of Connealy Danny Boy sons in Australia. He is a massive bull with phenomenal growth, extreme length and capacity, great neck extension and shoulder set.

G169's first daughter sold for \$22,500 in 2015

## LOT 10 IRELANDS ROSEBUD G169 X BOWMONT ABERDEEN J302 (6 EMBRYOS)

A real performance package here. Rosebud G169 is an outstanding young cow who has joined our donor team. She has an outstanding pedigree, deriving from the famous "Rosebud" family who was imported from NZ, this young cow combines the Dream and Champagne families on her sires side. What a combination of powerful breeding females from the Angus breed. She is long, big capacity with great udder and silky soft skin. Her first daughter sold at auction at the Sydney RAS Angus Sale for \$22,500 this year (topping the sale).

Bowmont Aberdeen J302, is a young sire who we are very excited about. We purchased him as a 12 month old calf and are extremely excited on how he is developing. He is long, clean fronted individual with real thickness and super top to him, yet has the softness and growth we are looking for. His pedigree is as solid as a rock with his dam coming from a very strong and successful cow family in the US. An exciting sire for the future.

# ‘PICK OF THE HERD’ FLUSH

**LOT 11** This is the first time ever we have thrown the doors open to the public to purchase a flush from the pick of our herd. What an opportunity. There are so many cows to choose from that have performed so well over many years. The possibilities are endless depending on your preference. Some options include:

## ECLYPTA FAMILY

A foundation cow family at Irelands imported from NZ. Thier performance and consistency is second to none.

Irelands Eclipta E23

Irelands Fourmile F34 - Sold \$15,000 (Eclipta Son)

Irelands Jeopardy J356 - Sold \$105,000 (Eclipta Son)

Irelands Erwin E24 - Sold \$10,000 (Eclipta Son)

Irelands Eclipta E2 - Sold \$11,000

## VICKY FAMILY

The Vicky family was added to the herd 15 years ago, due to thier maternal strength and ability to breed consistently.

Irelands Vicky Z15

Irelands Vicky E26 - Sold \$16,000

Irelands Vicky E19 - Sold \$12,000

Irelands Jujitsu J113 \$14,000 (Vicky Son)

Irelands Enviro E71 - Sold \$20,000 (Vicky Son)

## WARGOONA FAMILY

The Wargoona's ability to breed stud sires, is showcased by the three international AI sires from this cow family.

Irelands Wargoona C52

Irelands Gapsted G25 - Sold \$54,000 (Wargoona son)

Irelands Fletcher F1 - Sold \$43,000 (Wargoona son)

Irelands Joustier J393 - Sold \$30,000 (Wargoona son)

Irelands Wargoona H344 - Sold \$16,000

# SEMEN

## RAW DATA

@ 17 mths  
754Kgs / IMF: 6.4%  
EMA: 114 cms  
Rib: 7 mm / Rump: 10 mm  
Scrotal: 41 cms

## LOT 12 IRELANDS JEOPARDY J356 (50 STRAWS)

A semen package of 50 straws is being offered for the first time in the up and coming sire Ireland's Jeopardy J356. He was sold for \$105,000 to Holstons Pastoral Company to head up their breeding program for their branded beef product.

J356 is just rock solid with longevity, strength and performance written all over him. His pedigree enforces the same. Sired by the \$117,500 Australian Record priced bull Ireland's Galaxy G43 he possesses the same strength, length and softness. This coupled with the maternal strength of the Eclypta E23 cow this combination is unstoppable for consistency and performance. Don't miss this opportunity to get in on the ground level.
